Remove Bible from Sacristy and place on Fr Zach's chair (this is how he knows someone is there to do Children's Liturgy). Return Bible to Sacristy after Mass.

If you would like to look at the book before the weekend, just stop by and check in the conference room. There is a drawer marked "Children's Liturgy" where you can find the leader book, and the handouts for the children. Please visit the Sunday 10:30 Mass and go back with the children to learn what to do.
