space**

MISSION

*To address the need for high quality child care for school aged children of the
Evansville and surrounding community during the summer months*

*To provide to the Evansville and surrounding community an opportunity to enroll their
children into a summer camp program that emphasizes personal fitness, social
interaction, and the 7 habits of a highly effective person.*

*To provide an environment that is **safe, secure, clean** and **positive** for their children
to experience many activities and to grow as individuals.*
