Meeting this Thursday Sept. 1st !

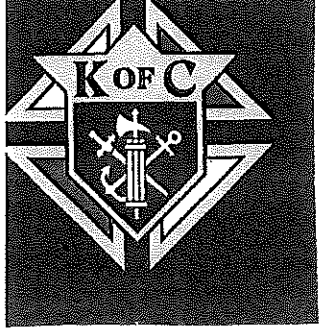

Yes, this is a sneaky meeting that lands on the first of the month, so flip the calendar and mark it down. We'll have a jam-packed meeting filled with give-aways, info, food, news, new Knights, updates and lots more. Ron Pohl has just said that he would be the food chair. As always the officers meeting will start at 5:00 (everyone is welcome to that as well), then at 5:30 we have the "Exemplification" meeting, (which is a big word with 6 syllables that means = New dude class) and this takes about 24 minutes. All are welcome to this as well as it is cool to recall the message and history of our Knights. Then at 6:00 we eat , then a Rosary at 6:40, followed by the meeting which will start around 7:00. Then a post-meeting adult beverage, strategy and idea gathering forum. Then a trip to the mancave is possible. Hope to see you all there !

Women's Kickball Tourney

Mark your calendars for this major big event coming on September 17th in our Good Shepherd back yard. This is a fun evening for the whole family evening for the whole family that starts at 6pm. The Knights will be heavily involved in many areas, so stay tuned an be ready to volunteer. We are the Knights !!

Catholic Men's Conference

St. John's in Newburgh, is having a Men's conference on September 10th from 8:30 to 1:30. The theme is Iron Sharpens Iron! This will be held right there at the Church. Father Burns and Father Alex will be the speakers. Mass is at 8:30 to start things off. Come for a day of faith, fellowship and learning. We as men are faced with distractions that pull us away from our core, our soul, and our faith. Learn how we as men can help one another develop as men of God and become the spiritual leader we need to be in our families and communities. We will have guest speaker Phil Durcholz (yes, his name only has one "H"), at our meeting to give us more info on this awesome event! Phil is also a fellow Knight out there in Newburgh, so let's make him feel welcome. It is \$10 and lunch and breakfast are provided. Please RSVP by Friday or it'll be \$15 after that. Go to www.sjbnewburgh.org to sign up.

Things To Think About.....

1. Fr. Benny visited Good Shepherd a few weeks ago and spoke of the Congregation of the Assisi Sisters of Mary Immaculate, (ASMI), in India. He asked for donations or the sponsoring of those ladies discerning the Holy life. Several Knights have asked if we could maybe do that. The yearly cost of sponsoring a gal is \$300. We've got all the info and shall visit this subject on Thursday.
2. We have always sponsored the Right To Life Banquet by purchasing a table or two. but, we've never advertised or sponsored an ad in their big program they put out for the event. So, we are getting prices and it might be a case where they have a special deal when you purchase a table and get an ad. We shall also visit this subject Thursday.

A.R.I.S.E. – September 18th

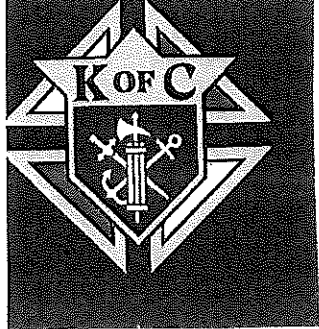

Mark your calendars for this beautiful time to spend with our Lord. Brother Jason Smith and several other Knights are helping to get this thing ROCKING! It starts at 7pm !!

Retirement Savings Meeting

Our council needs your help! We need to have members register for this event on September 15th at 8:30pm. This counts as one of our things we need to knock out to keep on track for our council, so check out the flyer that I've attached and please register. We MAY even have a watching party at the mancave. IRA expert Ed Slott will be conducting this course on how to wisely look toward retirement.

It was over. But the way the townsfolk called it, neither man was a clear winner.

Pohl Post Party

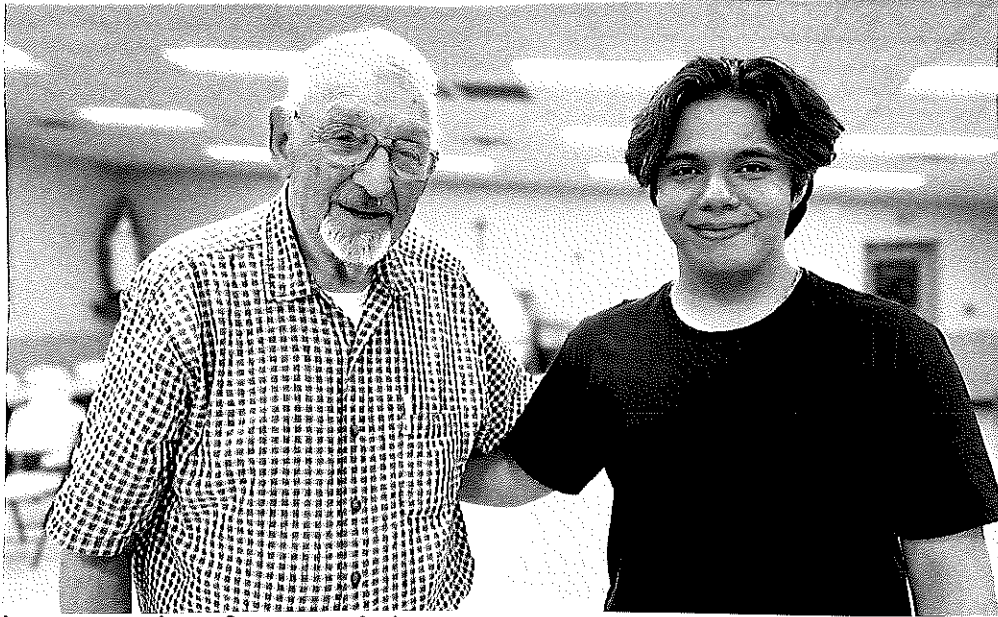

A big thanks to all those who came out and helped brother Ron Pohl out with his fence damage that he received from the storm a few weeks ago. There were about 10 dudes that showed up and helped take out boards, dig, pull out posts, mix concrete and set the posts. That gave Ron a huge help in getting this massive project knocked out. A special thanks to Tim Runyon and Pat Striewe for the use of their equipment that got it done! This fence helps safe guard the mancave so this project was important! We are the KNIGHTS!

Hey, how can I, or do I, serve a meal at a Knights meeting?

We're so glad you asked ! So, every meeting usually lands on the first Thursday of the month, except when there are Holidays & school functions. Therefore, every meeting, lo and behold has a meal right before it. After the meeting & after the Grand Knight has thanked the latest chef, he will open the floor to any Knight that could put together, cater organize, facilitate, make one phone call, cookout or be the master chef at the next meeting. This is truly an honor that can only happen 12x a year. No Cutlery school or any high-priced college needed- you will be known as chef.

Now, rest assured, ANY money used for food that you purchase shall be reimbursed immediately after meeting. We like to keep budget anywhere under \$300. The school usually has all the utensils, napkins, and plates. Get there a little bit earlier to get yourself set up and ready to go ! Plan on maybe 30 or so dudes coming unless it's a special meeting. Thanks for your Volunteerism! Suggestions.....

- 1. Mexican — tacos, salad, ect. Grab some buddies!**
- 2. Cookout- Hamburgers, brats, ect. Grill outside by kitchen back door.**
- 3. Pizza, Stromboli, or a big tub of chili.**
- 4. Great restaurants like Archie and Clyde's, Stockwell's, Kipplees, ect.**
- 5. Or anything else you want to throw together, you are the chef and the boss.**
