Big Bingo - December 31st !!

All right gentlemen , we're gearing up for another big event here and we need helpers! There's jobs for sitters, runners, standers & walkers. We're probably gonna open up the doors around noon, (or right after Mass). It should be a big event since there would be no bingo the previous week. Supper will be there for workers. Also, we're looking at a trip to Guggman Brewery for frequent workers !!!

The word "Advent" derives from the Latin word *adventus*, meaning "coming." In this case, it refers to the coming birth of Jesus Christ at Christmas and the return of Christ during the second coming. Advent begins on the Sunday closest to St Andrew's Day, this year it begins December 3rd. The Advent season reminds us about the importance of Christ in our lives. It prepares us to celebrate Christ's birth at Christmas, and it refers to his second coming at a future time. Catholics consider all three comings when they celebrate Advent.

This year Advent will be shorter than ever. The fourth Sunday will be on Christmas Eve. If you have children, you understand that when they see that last candle lit, they are ready for Christmas. While a short season is ideal for children, it causes the rest of us to work harder to prepare for Christ's birthday. One way to prepare is "The Best Advent Ever" from DynamicCatholic.com. This is a daily gospel reflection to help connect us with God. I also challenge each of you to make time for confession during Advent. Through reconciliation, we are given the opportunity to grow closer to God. Remember, "We must remain vigilant, for we know not the day, nor the hour, when we will be called to give an account of our life."

"I don't need a church to tell me I'm wrong when I know I'm wrong; I need a church to tell me I'm wrong when I think I'm right."

~ G.K. Chesterton

Did you know ?????

There is a 6pm Mass down at Holy Rosary on Sunday nights!! So, it's like the last chance Mass for those that might be busy with stuff & need to hit the late one! We are supposed to go to Mass, so don't let stuff like travel ball, work or self-centered schedules keep you away.

"Well, we might as well put it on board—although I'm not sure what use we'll have for a box of rusty nails, broken glass, and throwing darts."
