Huge Meeting-Next Thursday

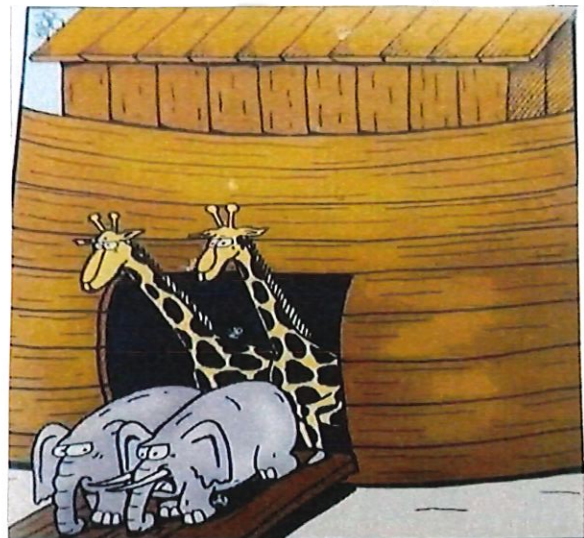

On April 4th we will be meeting again to discuss the important business at hand of helping our parish and faith prosper. Joe Schalasky is still on for bringing Bison burgers and other fixins. As usual, doors will open for Officers meeting at 5, then an Exemplification meeting at 5:30, Meal at 6, Rosary at 6:40 and meeting at 7:00! We'd love to see yah, don't be shy, just make the effort and come on down. The brotherhood and comradery are wonderful. This is the cool club for dudes at Good Shepherd. We are the Knights

Warning!!! BIG BINGO- 4/7

If ever there has been a perfect storm of a perfect scenario for a HUGE money-making event in the HISTORY of Good Shepherd for a one evening event, this my friends is IT !!!!!!! As the bingo rotation changes, this April 7th Sunday, opens for the Knights of Columbus! So here are the ingredients for this "Perfect Storm"

1. No Bingo the week before because of Easter
2. Beginning of the month means- S. S. checks
3. Tax time means extra money for some
4. Eclipse fans will be flooding to area for the scheduled event the next day and will need to fill their time, (especially if it's forecasted to be cloudy or overcast on Monday 4/8).
5. The Knights run the finest Bingo in the Tri-State area and have lots of fun doing it.

So, mark your calendars already and block the afternoon and evening off as we prepare for a record attendance surpassing our record of a 367 person bingo years ago. This will be an all hands on deck event of monumental potential.

"What a lousy trip ... It rained the whole time!"

When asked by an accuser, "Is not the Pope your judge on earth? If you do not submit to the Church you will be pronounced that you a heretic here and burned at the stake!".....
St. Joan of Arc said, "I will say nothing to you about that, for I have a good Master who is our Lord and to Him I will submit all. I would say this again even if I saw the fire burning before me! "

What a St. Patrick's Day Party !!!!
Well done my brothers! What a fine night indeed
as we gathered on March 16th. An estimated 307
people showed up at this years event. Thanks to
all who helped set up, tear down, decorate, help
sell tickets, donate time or services. We've got
an incredible thing going here. Kevin Hamilton
just crushed it and Alex and Dave in the kitchen
were just ROCKSTARS. How can somebody pay
\$25 for all of this and complain??? This event is
done for the fun of bringing our parish together
in a nice social setting. Also, with the possibility
of showing fellow Catholic men that we would
love for them to join us. But, we still managed to
make \$1600 on the night. Look at this fun picture!

BASEBALL HUMOR

*"A heck of a lot better
than being the smallest
player in the minors."*

—Royals 5'5" shortstop Freddie Patek, on how
it felt to be the smallest player in the majors

**"Work, work, and God will work
with us! Never be lazy, keep on
working. There's many a way to
win in this world, but none of it
is worth much without good hard
work behind it."**

- St. Joan of Arc

BASEBALL HUMOR

"I like playin' softball . . . but watchin' baseball? I don't want to knock the national pastime, but, mister, a lot of nothin' happens."

Half Pot does well once again !!!!

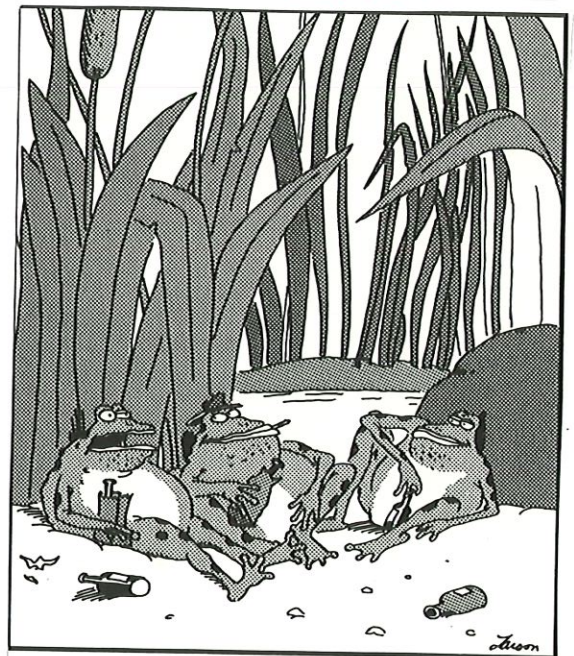

As we called off the winning ticket at the St. Patrick's day party, the prize was claimed by a foursome of dudes that threw some money together just for the heck of it. Neither of dudes were Knights, but maybe someday they will be. Thank you to all the ticket salesman who volunteered their time and effort. Steve Henderson ran a great show and we just made \$7,700 or so for our Council without breaking a sweat. We'll do good stuff with that money.

K of C STATE CONVENTION May 17-19

Mark your calendars for this weekend event if yah want to attend. Our council will gladly pay your way and hotel to represent us up there. This year it is in Bloomington, IN. It starts on Friday night with this nice dinner for the coveted "Father McGivney award" (which we might be getting again) then ends with a drink or a cigar. Then, on Saturday there will be a schedule of things and classes going on with fellow Knights from other Councils. It's kinda cool to see how the Knights work at the State level. We usually have several guys attend, but our open to as many that want to go. Saturday night is usually met with socializing, drinks and maybe another cigar. So let Dan Hirsch know if you're interested and we'll get the details and hotel worked out for you. You get your own room and mileage paid for driving !!!!!!!

Well, we might as well put it on board—although I'm not sure what use we'll have for a box of rusty nails, broken glass, and throwing darts."

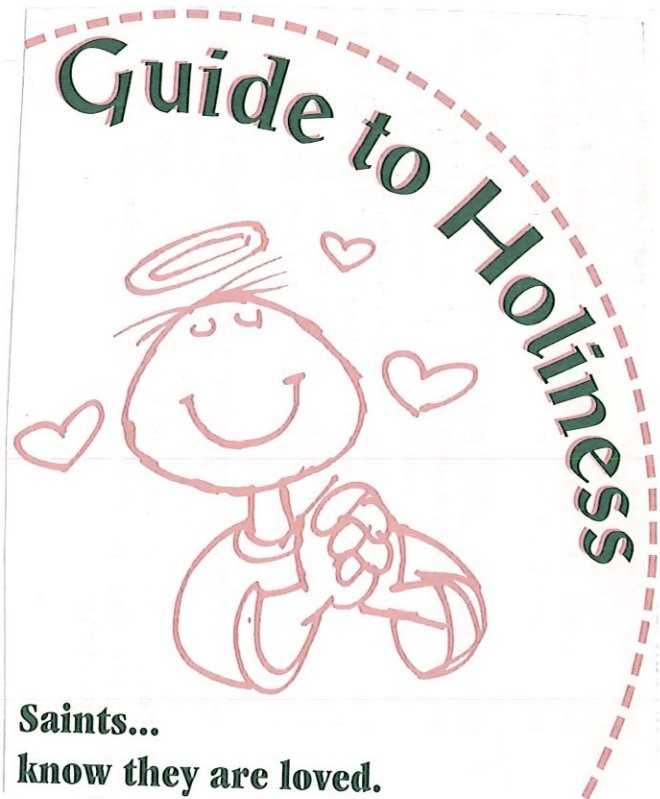

BASEBALL HUMOR

"If a woman has to choose between catching a fly ball and saving an infant's life, she will choose to save the infant's life without even considering if there are men on base."

—Dave Barry

"Are Catholics saved? Some think you are magically, simply by Baptism. Not so. Faith Obedience & work must rise to ratify what was done for me at my Baptism. It is folly for me to frolic through life counting on the external rite to get me "in". That is to turn Baptism into a rabbit's foot, which it is not."

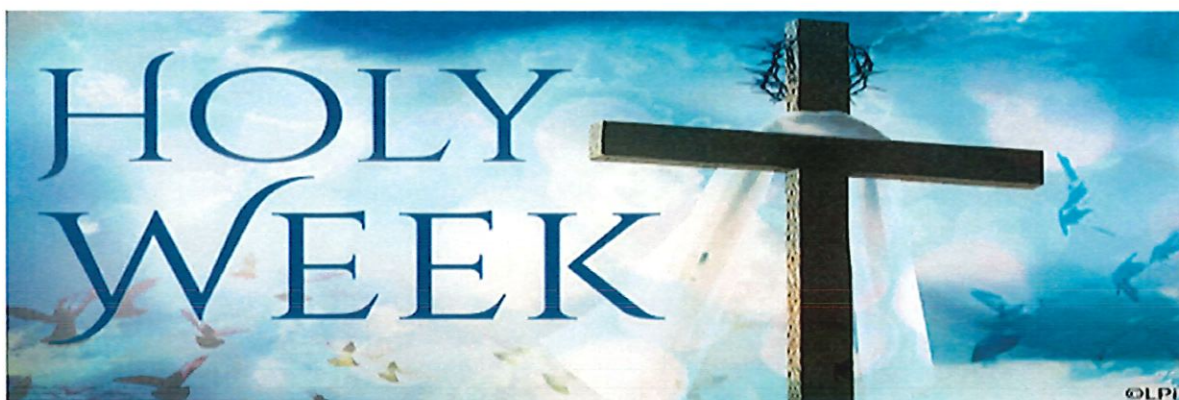

- Thomas Howard (Catholic author)

Saints...
know they are loved.

"To be Catholic is to hear the Virgin Mary's "Be it done unto me", as in a mystery on behalf of us all. The mystery is not an idle one as it solidifies us. We are with Adam and Eve in their sin with our humanity. Through the Gospel we learn that there came a Second Eve, as there came a Second Adam. Our first mother opened the gate to death for us all, the second mother opened the gate to life. The first by her disobedience and the second by her obedience. God "needed" her YES, in order to inaugurate the great event of the Incarnation and thus our Salvation."

- Thomas Howard (Catholic author)

Dear Jesus: Sorry, but these men just don't qualify for the job

From: Jordan Management Consultants

Dear Sir:

Thank you for submitting the resumes of the twelve men you have picked for management positions in your new organization. All of them have taken our battery of tests: and we have not only run the results through our computer, but also arranged personal interviews for each of them with our psychologist and vocational aptitude consultant.

The profiles of all tests are included and you will want to study each of them carefully.

As part of our service and for your guidance, we make some general comments, much as an auditor will include some general statements. This is given as a result of staff consultation and comes without any additional fee.

It is the staff opinion that most of your nominees are lacking background, education and vocational aptitude for the type of enterprise you are undertaking. They do not have the team concept.

Simon Peter is emotionally unstable and given to fits of temper. Andrew has absolutely no qualities of leadership.

The two brothers, James and John, the sons of Zebedee, place personal interest above company loyalty. Thomas demonstrates a questioning attitude that would tend to undermine morale. We feel that it is our duty to tell you that Matthew has been blacklisted by the Greater Jerusalem Better Business Bureau. James, the son of Alphaeus, and Thaddaeus definitely have radical leanings, and they both registered a high score on the manic depressive scale.

One of the candidates, however, shows great potential. He is a man of ability and resourcefulness, meets people; well, has a keen business mind and has contact in high places. He is highly motivated, ambitious and responsible. We recommend Judas Iscariot as your controller and right hand man. All of the other profiles are self-explanatory.

We wish you every success in your new venture.

Sincerely,

Jordan Management
