Farmer Brown froze in his tracks; the cows stared wide-eyed back at him. Somewhere, off in the distance, a dog barked.

Council 14673 "Recaptures" McGivney Award!

Yes indeed, we grabbed back the most prestigious and most highly coveted award out there. This award recognizes the Council that does the MOST for the religious community. We sponsor several guys that are currently discerning possible vocation, we help out Fr. Tyler with any woodworking at the "House of Discernment" and we also provide and serve two meals for their big "M.C. Training event". Not to mention that we continue to pray and offer up Rosary intentions for all our priests and religious. We've won this award 2 out of the last 3 years, so let's keep the ball rolling and continue to get this !!!

Fr. Zach still getting' it done!

After knocking out all that Easter stuff, Fr. Zach continues to be the Good Shepherd at Good Shepherd and lead us. He provides us the Sacraments and wants us all to get to heaven. We are blessed to have this Rock Star as our priest. He wears many hats and is also a fellow Knight. Make sure you thank him next time you see him. We're right here for him if he needs anything done !!!!!!!!!!!!!!!!!!!!!

"On Confession, we take stock of our sins of our folly or malice during our earthly lives and God expects a re-establishing. A single cry of the soul can open heaven, can extract a pardon from God and purify a soul and conscience.

God wills and "everything was made" that was = Creation. Man wills and by divine permission an entire life is renewed. So, regeneration or 'creation again' is more lovely in a way than the first."

We also grabbed "Community Award" !!

Holy Cow, Council 14673 was taking everything up there at State this year! Well, this one we shared with some other Councils in Evansville. This was awarded because of the "Hunger Bowl" which happens as part of a Football rivalry Memorial vs. Mater Dei. Lots of money gets raised and the proceeds go to helping those that need food. Our Council did a lot to help with this, including providing the PA guy at the football game this year to highly promote the cause and encourage membership as well. WE ARE THE KNIGHTS

Summer Social Help Needed

It's that time of year, and it looks like they're having a hard time getting folks to sign up and volunteer. If you're not lined up to work and can help us out, please contact someone from the Social Committee. There are Knights all over the place, running the Social, running a booth or helping set up or tear down. There's work for everyone so please jump in! It's time to serve and help our parish! Dat's what we do

Family of the Year Award !!!!

Our very own brother Sam Tenbarge and his family took the grand prize of State this year with this award! With over 32,000 Knights in the State, Sam edged out everyone to bring home the award. His family's activity in the Social and Sam's activity leading in many areas with the Knights, including editor of the "award winning" Knightly News, pushed the decision. Sam accepted the award at the State Convention, thanked his family and ended with his Catholic rap.

Candace Owens joins team!

Rockstar, public speaker Candace Owens joined our Catholic Faith recently. Known as one of the fiercest and beloved debaters and defenders of truth and morality, she studied the facts and realities of religion & came to the conclusion that the Catholic faith is where it's at. If you haven't heard of her, than google or YouTube her because she knocks it out of the park. Welcome Candace to the Faith established by Christ. Hopefully she may be in area someday to give a talk.
