

IMPORTANT PARENT/GUARDIAN INFORMATION 2020-2021

Your child's protection is especially important to the Catholic Church. Both the Diocese of Evansville and Good Shepherd Catholic Church support all the efforts the Catholic Church does to protect your child. Part of this effort is teaching your child about protecting themselves. I have asked all our catechists to review this subject with their class by October 25th. The catechists will be selecting from one of these topics: Bullying, Healthy Choices, or Good Touch/ Bad Touch provided by the Diocese of Evansville. Below is website where you can review the material.
