

Merry Christmas 2019 and Happy New Year 2020

Christmas time and the New Year day are moments of feast, joy and happiness in Haiti as in many parts of the world. However in Haiti, they are not only moments of feast but also times to share with others, times of great solidarity with others, times to celebrate our Independence Day as we eat the traditional pumpkin soup. At Saint Rose of Lima Parish they were times to share with the kids and the poorest elderly in order to bring joy and happiness to their life. You, at Good Shepherd Parish, shared money with us because of your faith in God and because of your generosity. Then, we were, in our turn, able to share toys, food, and other stuff to the kids and to the elderly so that they may have a better Christmas time at the end of the year 2019. So, with our hearts full of gratitude, we wish you all **“Merry Christmas 2019 and Happy New Year 2020”!** May the heavenly Son who was born on earth by the Incarnation of the Lord celebrated at Christmas pour always his blessings on everyone at Good Shepherd Parish during this New Year 2020 and forever and ever!

Now, to send you our best wishes for the New Year, may you enjoy the following pictures which share our gratitude to you all at Good Shepherd Parish! Note that they are two groups of pictures, one for the kid’s solidarity day and the other for the Elderly solidarity day. We hope to share with you the more we can just to keep on wishing **“Merry Christmas 2019 and Happy New Year 2020”!**

N.B.: They are lots of pictures, but I can’t send all of them. I do choose 9 some of them! May you enjoy the chosen ones!
