It was a very well-attended event. The committee is currently putting together project ideas for this year.

Red Ribbon Week: This year's Red Ribbon Week will be October 27-31. The Teen Power students and the teacher planning committee are working to plan the week of activities.

Best Private School: Good Shepherd Catholic School was nominated as one of Evansville's Best Private Schools by the Community Choice Awards. We will know in December if we won. We do know that we made the top three.

Student Teacher: Mrs. Kraft began hosting a student teacher on Monday, October 20. Kaylee Lawson will be in 3K until December 11.

Substitute Teacher: Sydney Lee is currently in Kindergarten while Mrs. Goad is out on maternity leave. Mrs. Goad is expected to be back after Christmas break.

Hunger Bowl: Good Shepherd participated in the annual Knights of Columbus Hunger Bowl. The students received a casual dress day for a donation. GSCS raised a little over $1000. That money was combined with other East Catholic schools to benefit the St. Vincent DePaul Food Pantry.

Service Projects: Upcoming school-wide service projects include the Operation Christmas Child and the Green Bean Collection in November for the Evansville Rescue Mission Gobbler Gathering.

Partner School Dance: Reitz Memorial High School hosted a partner school dance on Saturday, October 18 for 7th and 8th graders.

Living Rosary: Our 4th and 5th graders led our Living Rosary on Tuesday, October 7. Thank you to Mr. Mayer, Mr. Fonner, Mrs. McDaniel, and Ms. Warren for organizing this beautiful prayer opportunity.

Mary Retreat: Our 3rd graders participated in a Mary Retreat on Monday, October 6. Thank you to Mrs. Kraft and Mrs. Watson for making this possible for our students.

Professional Development Day: On August 29, our teachers participated in a professional development day with other Diocesan Catholic schools. Holy Rosary hosted the morning. There was a wide variety of sessions for teachers to attend. Mr. Mayer and Mr. Fonner each presented a session. Dr. Sarah Wannemuehler was the keynote speaker. It was a wonderful morning!
